GOTHAM CITY DART LEAGUE FALL 2011 SEASON

MANDATORY CAPTAINS MEETING

Will be held at registration, on Tuesday, September 13, 2011, at 8:00 PM.

WE WILL DISCUSS A NEW PLAY FORMAT: Several members have suggested adopting a format similar to the "Bay Ridge" one, where only 5 players are needed to play (without having to forfeit any points). Some have suggested using this new format, and adding a three on three event at the end, so all players can get plenty of games should you have 6 or more players show up.

As many of you know, many bars have closed down and the new people coming into the area are not exactly throwing themselves into the dart scene. Some of our teams (older ones and newer ones) are having difficulty getting 6 people to show up each Tuesday.

As an option, moving to a lesser player format might be a good answer for us. Several years ago, Manhattan cut down their Monday format to 4 players and resulted in a gain in teams. While this move may not guarantee gains, it may very well help us to at least slow down the attrition rates that have been coinciding with the shrinking bar scene in our area.

In any event, your input and vote will be required at the next registration meeting. See you there!!

Awards Note: The league needs shirt sizes for all division and conference champions for the Spring 2011 season. We would also like to discuss the other awards. Last year, we switched from plaques to pint glasses for the members of the All Star teams. We can do the same for 2011, or go back to plaques. This is another item open for discussion at the Sept. 13 meeting. We already have a good supply of shirts on hand and can get plaques or glasses made up in two weeks. All awards from the prior season will be available before the end of September.
